

NORTH COAST SCHOOL OF EDUCATION

REQUEST for MENTOR REASSIGNMENT

Policy:

If at any time the match between an Intern/Candidate/Permit Holder and the Mentor is perceived as unsuccessful for any reason, this match may be revised/reassigned.

Procedures:

1. In general, it is the responsibility of the participants to inform the program (usually through their County Program Coordinator) of a mismatch. However, on rare occasions, Mentors who are not able to complete their duties may be asked to resign in order to allow a new Mentor to take over.
2. An Intern/Candidate/Permit Holder or a Mentor may request a new match at any time to a District Coordinator, Regional Director, Program Coordinator or the Executive Director.
3. Upon receipt of a request for a new match, the program leader secures confidential information from both the Intern/Candidate/Permit Holder and the Mentor. Efforts are made to maintain respect and dignity for all those involved and to collaboratively determine a solution to the presented issue(s).
4. The program leader implements the solution and monitors the new match, if this was determined to be the best solution. Appropriate information is shared as needed.

Note: There are times when the Mentor has provided partial services, attended meetings, and/or has a signed agreement for compensation with the district and/or the North Coast School of Education (NCSOE). The reassignment of Mentors will include consideration to prorate compensation. The newly-assigned Mentor's compensation will also be prorated depending on the time remaining in the school year and the duties to be completed.
