

# Doug Day Memorial Scholarship

For 34 years, Doug Day was a dedicated teacher inspiring a countless number of children. Doug always said there was never a day that he didn't look forward to going into the classroom. With this scholarship, the Day family hopes to extend Doug's legacy by supporting teaching candidates dedicated to instilling a love of learning with creativity and imagination.

This scholarship will help provide eligible teachers with program tuition as they go through the "Be A Teacher" Intern Program at the Sonoma County Office of Education's North Coast School of Education.

**The application will open September 1st** and is open to any Intern teacher in the "Be A Teacher" Intern Program. The award amount will be determined by the number of eligible applicants and the amount of donations that have been made to the scholarship.
